

Sail Wu MVP Peer Review for Team Eat, Meet, MIT

Carlos: It's great to work with Carlos! He shows great knowledge in routing and web-design. His passion in this app drives our project in a right direction.

Jonatan: He's a great team member to have. He always provides sharp and critical analysis in our design and code. He's awesome in github knowledge and willing to share his expertise.

John: John is great! I really enjoyed working along with him. He is very patient and strategic in debugging and willing to help others when we encounter any problems.
